Pursuant to 3 DCMR Section 1-1802.4, the Board hereby publishes the proposed short title, the proposed summary statement, and the proposed Charter amendment act in its entirety as follows:

Proposed Charter Amendment IV**SHORT TITLE**

“The Elected Attorney General Charter Amendment”

SUMMARY STATEMENT

Currently, the Attorney General for the District of Columbia is appointed by the Mayor and confirmed by the Council of the District of Columbia. This Charter Amendment, if passed, would amend the District of Columbia Home Rule Act to allow voters to elect the Attorney General for a 4-year term of office.

A candidate for the position of Attorney General must meet certain qualifications and requirements which include being a registered voter in the District of Columbia, and a member in good standing of the District of Columbia Bar for at least five years prior to assuming the position of Attorney General.

If voters approve of this amendment and the U.S. Congress does not reject the measure, residents of the District of Columbia would begin voting for the Attorney General in 2014.

DEPARTMENT OF SMALL AND LOCAL BUSINESS DEVELOPMENT

NOTICE OF FUNDING AVAILABILITY

Ward 4 Storefront Improvement Program

The Department of Small and Local Business Development (DSLBD) is soliciting a second round of applications for its Ward 4 Storefront Improvement Program (SIP). The Program is intended for eligible Ward 4 business owners to make small design fixes to their storefronts. The services that are eligible are strictly for storefront exterior improvements, including upgrades to business signs, awnings, front entrance door, glass (storefront window, front door), lighting, painting touch-ups, and interior security grates.

Approved improvement services will be funded by the Ward 4 Capital Improvement Program. Selected businesses will not receive direct funding. Business owners may be eligible for up to \$15,000 in improvement services. While the storefront improvement services are free to the business owner, the business owner is responsible for any permit fees, which range from \$150 to \$600. As a pilot program, resources are available only for a limited number of Ward 4 businesses.

Ward 4 businesses will be selected through a competitive application process, which comprises three stages. Interested Ward 4 business owners (applicants) must complete and submit a **Stage 1 Application** and submit for receipt in DSLBD's office on or before **Friday, July 30, 2010 at 5:00 PM**. Through the Stage 1 application, applicants demonstrate that their business and commercial property meet the program eligibility requirements and indicate their requested storefront improvements.

Interested Ward 4 business owners may obtain the Stage 1 Application Form and the Program Guidelines online at DSLBD's web site (www.dslbd.dc.gov) or in person at DSLBD's office at 441 4th Street, NW, Suite 970N, Washington, DC 20001 (photo ID required to enter building).

Based on satisfactory completion of the Stage 1 Application, applicants will start **Stage 2** of the application process, during which they obtain and submit bids for the requested improvements that DSLBD determined were eligible. Applicants who complete Stage 2 will proceed to **Stage 3**, during which they obtain the necessary permits to begin the storefront improvement work and sign a Memorandum of Understanding.

The **Program Guidelines** has details about the program's objective, applicant eligibility, eligible storefront improvements, and the application process.

For more information, contact Camille Nixon, Project Manager, Department of Small and Local Business Development at (202) 727-3900.
